Sacrament of Confirmation - Agreement 2016-2017

Please take time to read & complete

There are five requirements for Confirmation Candidates to fulfill in order to celebrate and receive the Sacrament of Confirmation. These requirements include:

- ✓ **Obeying the Third Commandment and keeping holy the Sabbath by attending Mass weekly and for Holy Days**
- ✓ **Attendance in all six of the Confirmation Catechetical sessions in Phase I and Phase II**
- ✓ **Attendance at a Confirmation Retreat for Phase I and at a Confirmation Retreat for Phase II**
- ✓ **Participation in either: an individual community service project or a group community service project**

The reason for these requirements is for the encouragement of holistic growth, that is, growth in the Candidate's relationship with Jesus Christ as well as the Catholic/Christian community.

These are what are required in order for the Candidate to receive the Sacrament of Confirmation. Falling short in fulfilling these requirements may indicate unpreparedness for Confirmation and many constitute a delaying of the Sacrament. If this is the case, there would be appropriate notification.

The Parish, Candidate and his or her parents are equally responsible for the preparation of the Candidates.

I understand the above requirements and consequences and will do my best to meet these requirements.
