A Time to Prepare

## *Advent Reflection Talk*

### *December 2, Monday, 7:00 pm*

Christmas is all about the entry of our Savior into the world, as the Virgin Mary gives birth to the Christ Child. Begin to prepare for that by joining us for our Advent Reflection Talk, which this year will be given by Dr. Mary Marron-Corwin, Director of Newborn Medicine & Pediatrics in Harlem, NY and Professor of Pediatrics at Columbia University. She is a highly respected and honored physician, lecturer, teacher, and author. She has also been named Catholic Laywoman of the Year by the *New York Catholic* newspaper.

The Blessed Mother's pregnancy was, of course, a miracle. Dr. Marron-Corwin experienced 3 miracles of her own during her 3 at-risk pregnancies. Learn how her life of faith helped her to discern what to do in those difficult situations. We promise that you will be very inspired by how one woman has learned to live out her Christian faith in real and challenging ways. Prepare for the Christmas miracle by hearing about 3 other miracles!
