

CCD Update

Due to the Covid-19 pandemic, the Archdiocese has suspended all religious education classes until further notice. You should have received your remote learning emails. If you have not received them, please email Colleen McDonald at: sorrowschurch@gmail.com and she will send again.

Please check this website and make sure to read the weekly newsletter for important CCD and Sacramental updates.

We hope that all of our CCD families are safe and well.

Jen & Colleen
