

Keeping the Promise Alive™ Refresher Program

Keeping the Promise Alive is a refresher program that provides ongoing awareness for the prevention of child sexual abuse. The material covered in Keeping the Promise Alive is designed to identify and reinforce the lessons of the original Protecting God's Children® for Adults program. For example, some of the more challenging aspects of the sessions are clarified to strengthen the participants' ability to recognize risky behavior in their environments and take action to intervene in potentially threatening situations. This program answers the questions, "What have been some results of the Protecting God's Children program, and what else can we all do to keep youth safe?"

Wed, Oct 23rd 7-9 Keeping the Promise Alive – St. Joseph Hall - Refresher class for those that have not taken it in the past 5 years. You must be registered to attend this session. No Walk ins will be accepted.
