

CCD Spring Update

Religious Education is officially off for the Summer.

We had our last official classes this week via zoom. Thank you to all our wonderful catechists who worked so hard to make our remote CCD work so well. Also, thank you to all our students and their parents for helping us navigate this very interesting & challenging year.

A big thank you to Jennifer Noll who perfected zoom calls and I-movies.

Please fill out our survey to let us know where we can make changes. Keep checking back about CCD in the fall. We aim to send our registration out in June.

Survey Link: [Family Survey](#)

Please continue to work on any outstanding work over the summer and submit to: olshomeschool@gmail.com

Enjoy the rest of the spring and Summer.

Looking forward to seeing you!
